5th - 2:10-3:05

New this year!

The end of the year party will be a new format. Instead of an individual class party, we will be hosting a group party for each grade. The students will be able to celebrate with the friends they have made during the school year. The party will include students and the volunteers that run the activities.

There will not be lunch visitors or attendees during the parties.

This will be a great way for the students to interact with their school friends one last time before the summer break!

- Bounce Houses • Snow Cones
- Games • And more!

Would you like to pick your child up early?
Please send a note and do so after their party time ends.

The beautiful thing about learning is that no one can take it away from you.
